WHOLESALE TRADE LIST

OF THE

CAYUGA + LAKE + NURSERIES

ESTABLISHED 1855.

UNION SPRINGS, N. Y.

UNION SPRINGS is situated on the Cayuga Division of the Geneva, Ithaca & Sayre Railroad (branch of the Lehigh Valley Railroad), which gives us unsurpassed facilities for shipping South and East; and only six miles from Cayuga, where we have connection with the New York Central & Hudson River Railroad, East and West.

STANDARD PEARS, PLUMS, and IMPORTING FOR NURSERYMEN, are our **Specialties,** to which we would call especial attention.

ORDERS should be sent in early, when they can receive more prompt and careful attention.

SELECTION OF VARIETIES will be left as far as practicable with the buyer.

PACKING done in the best manner at lowest rates.

SHIPPING DIRECTIONS should be plain. Where none are given, we forward by what we consider the best route. Packages will be delivered to the Railroad or Steamboat, in good condition, after which they are entirely at the purchaser's risk.

DEALERS liberally dealt with. **No charge for billing out.**

☞ For larger quantities than quoted in this List, write for **Special Rates,** these prices being for quantity named. Correspondence solicited.
